

PRESIDENT'S MESSAGE

Welcome back to Oakmont League 2022-2023!

Our Board is committed to our mission of Making an Impact in our Community and has been hard at work planning the year with interesting programs, delicious luncheons and fun social events.

Our meetings will be at Oakmont Country Club in their newly remodeled meeting room – The Oak Room unless they need to move us to accommodate their business. As I'm sure you are aware costs are rising everywhere and the Oakmont is no exception. Our luncheon price will be \$46 for the year. Please understand that they have worked hard with Mary Kay to provide us with the best food and service, and we are not charging our members more than what we are paying the club. Having researched other venues in the area the Oakmont is in line with what others are charging and we also want to keep the traditional of meeting there.

I want to thank Kim and Ken Klosterman for again hosting a wonderful Ways and Means dinner in their beautiful backyard. Pie and Burger again provided the meal, and a fun time was had by all who were able to attend. For those of you who couldn't join us know that you were missed!

Thanks also goes to Jackie and Phil Kubel for hosting the Board "In and Out" dinner in August. It was so great to be able to resume some of these events that we've been unable to have recently. The Fiesta themed evening was a lot of fun, and it was great to be able to thank the Past and Current Board members for all their hard work.

Our upcoming September general meeting will be a time of reconnecting and socializing with a presentation from Robert Gordon the President of the Glendale Educational Foundation which a Non-Profit 501c3 organization supporting Glendale Schools. We are looking to find ways to continue to impact the needs of the education system in Glendale. Jackie and her Committee have planned a year of great programs and we look forward to seeing you all there every month!

Yearbooks will be made available to all the members at the September meeting thanks to Katherine Yamada. Make sure to pick up your copy. Please contact her if you unable to be there and she will work out a way for you to get your book.

I am grateful for all the support and friendship I have received from our group. I look forward to a wonderful year!

Pam Sorem, President
