

2024

PRESIDENT'S MESSAGE

It's hard to believe it, but we are at the end of the Oakmont League year and my last meeting as President.

The Board and I have dedicated ourselves to our mission of Making a Greater Impact in our Community and we had a year with interesting programs, delicious luncheons and fun social events as well as having the funds available to provide for our local scholarships for High Schools and GCC as well as provide assistance to the YWCA's Camp Rosie and provide equipment needs for GCC's Disabled students programs. At the May meeting we will present the checks to our charities and present the scholarship recipient biographies to the membership as well as thank the outgoing board and install our new President Lydia Trout and her board. I hope you will all attend to see the results of our hard work.

I want to thank all of you for being such a hard working and supportive group during my years as President. I look forward to more years of enjoying the friendship and also being able to help to make a difference in our community. It's been an honor to serve with all of you. It's also wonderful to be able to welcome new members to our group as well. Jeri, Marian, Deanna and Pam we look forward to getting to know you and building new friendships.

To the Board I hope you all know how much you are appreciated. You have made these years go by seamlessly and I thank you all so much. It takes all of us working together to continue the long traditions of the Oakmont League.

Please mark your calendar for our June 15th Ways and Means party at the Home of Carty and Nancy Spencer. It's a wonderful way to kick off the new year and enjoy time with friends. I hope to see you there!

I am grateful for all the support and friendship I have received from our group. Thank you all!

Pam Sorem, President
